

American Lincoln Parts

American Lincoln Part - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the industry as strong and durable machines which satisfies all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln has the ability to provide components, warranty service and machines for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been requested by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on location due to the model's supreme performance level and high standard of quality for polishing concrete.
