

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how long and tedious it would be to clean-up right after a party, with out assistance from equipment. Previously, the dust from carpets and upholstery had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the best cleaning products back then.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in 1906, he started to produce motors in order to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's dream from the beginning was to have a global company marketing goods globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by a single individual. This invention came in a time where other cleaning equipment were huge and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the manner we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an existing dilemma; things get dirty and must be cleaned frequently, without too much effort.

Gradually but progressively, Nilfisk-Advance expanded all through the decades. In the 1980s, this development truly took place when the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap forward within the business, aspiring to be one of the leading global players in the market of professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the globe due to gradually acquiring numerous smaller companies in order to grow their product range and presence in new markets. They are really proud to offer different cleaning solutions to suit each and every need.
